May – the effective date of an agreement is the date of last signature, so the date that Water Gen signed.

Geoff and Laura we don't usually have blanks like this in our agreements. This is in the NDA for the MTA and appears awkward.

Sarah and Carmen:

On the NDA agreement, in the second paragraph, there is a _____, 2017 for the effective date of the agreement. Is that supposed to be today's date?

Thanks

All,

OGC has concurred on the NDA and MTA with Water Gen and it is now ready for signature. You may have Jennifer sign the agreement and email a PDF copy for their signature.

Please be sure that we receive a completed signed copy after Water Gen has signed.

Let me know if you have any additional questions.

Thanks,

Sarah
